Holt & Worthy Federal Services

Holt Worthy Federal Services Veteran-Owned Small Business (VOSB) providing mission-focused workforce support, logistics coordination, and operational staffing for federal agencies, prime contractors, and disaster response missions. Our team delivers scalable personnel solutions, field operations support, and administrative services designed to assist agencies during operational readiness and mission continuity.

Core Competencies

- Disaster Response Workforce Support
- Emergency Operations Staffing
- Field Operations Support Personnel
- Disaster Recovery Workforce Deployment
- Logistics Coordination and Distribution Support
- Administrative and Program Support
- Facilities Support Services
- Temporary Workforce Surge Support
- Mission Support Personnel for Federal Agencies

Differentiators

Leadership experience supporting mission-critical operations in disaster and emergency environments. Prior military service included operational response during severe weather events and crisis conditions requiring rapid coordination, personnel safety, and mission execution.

- Operational experience includes:
 - Disaster response operations following severe storms and emergencies
 - Search, recovery, and humanitarian response support
 - Field patrol and security operations in unstable environments
 - Personnel coordination in high-risk and time-sensitive missions
 - Rapid response support during emergency and recovery operations

This operational background informs the mission readiness and response capabilities of Holt Worthy Federal Services when supporting federal disaster response and emergency management missions.
